

2025 - 2026

SCHOOL PROFILE

ABOUT THE SCHOOL

Founded in 1964, St. Stephen's School is a **four-year, non-profit, independent, coeducational, non-denominational, day and boarding school** that draws on the strengths of both **American and European education traditions** to give our students a well-rounded, global perspective. In celebration of its 60th anniversary, St. Stephen's embarked on a significant transformation of its classrooms with cutting-edge collaborative technologies designed to foster collaboration and innovation. It also expanded its boarding facilities with the opening of *the Collegio*, a state-of-the-art boarding residence near the Colosseum that offers students an immersive educational and cultural experience.

School Motto: **Mens** (mind), **Voluntas** (will), **Gratia** (influence)

Core values of **Care, Scholarship, Creativity, Integrity** and **Independence**.

**MENS
VOLUNTAS
GRATIA**

ACCREDITATION & MEMBERSHIP

- Accredited by **New England Association of Schools and Colleges (NEASC)** since 1974, the **Council of International Schools (CIS)** since 1995, the **Boarding Schools' Association (BSA)** since 2025. St. Stephen's is accredited and has been an **IB World School since 1975**.
- Member of the **Mediterranean Association of International Schools (MAIS)**, **Educational Collaborative for International Schools (ECIS)**, **National Association for College Admission Counseling (NACAC)**, **International Association for College Admission Counseling (IACAC)**, **National Association of Independent Schools (NAIS)**.

STUDENT POPULATION

In 2025, the St. Stephen's student community comprises over **300 students** from **70 different nationalities**. Sixty students in our community live full-time in our boarding accommodations on- and off-campus (*the Collegio*). The average class size across all four grade levels is eleven students per class.

FACULTY PROFILE

St. Stephen's is proud of the diverse and expert faculty community with **56 faculty members representing 13 nationalities**. With expert advice, **88% of our faculty hold advanced degrees**. A robust faculty roster can achieve more specialized and focused instruction (with a student/teacher ratio of 6:1).

CORE STRENGTHS

Our Location - Situated in the historic heart of Rome, St. Stephen's School offers students unparalleled cultural, historical, and educational opportunities. The Eternal City serves as an extension of the classroom. As part of our curriculum, all Grade 9 and 10 students engage in mandatory courses in classical languages and history through the distinctive "City of Rome" program.

Experiential Learning - Students develop global awareness and intellectual curiosity through regular academic excursions across Italy and Europe. Beyond the classroom, they take initiative in creating and leading a wide array of extracurricular clubs and associations, fostering independence, leadership, and collaboration.

Advisory & Student Support - Each student is paired with a dedicated faculty advisor who provides guidance on academic progress and personal well-being. Through weekly meetings and regular check-ins, students benefit from consistent mentorship and a strong support network.

Athletics & Activities - St. Stephen's athletes compete in soccer, basketball, and volleyball against international schools in Rome, across Italy, and throughout Europe. Students also enjoy a broad range of non-competitive options including tennis, badminton, running, yoga, pilates, and dance, ensuring opportunities for both team spirit and personal wellness.

DISTINCTIVE PROGRAMS

The Lyceum - A vibrant program that brings the classical world to life through lectures, cultural events, and experiential learning opportunities. Open not only to students but also to the wider St. Stephen's community, the Lyceum bridges academic study with Rome's living history.

Molecular Biology - An advanced program designed to deepen student understanding of biotechnology and molecular sciences. Given the popularity of these fields in higher education, this program prepares students with rigorous, research-based experiences and laboratory work.

Engineering & Robotics - Students acquire practical STEM skills through hands-on projects in engineering, robotics, and space technology. A highlight of the program is the design and construction of a miniaturized satellite—roughly the size of a soda can—demonstrating the integration of creativity, problem-solving, and technical expertise.

Performing & Visual Arts - Beginning in Grades 9 and 10, students pursue a rich program in the performing and visual arts, with opportunities in theater, music, studio art, and design. This program encourages creativity, self-expression, and interdisciplinary collaboration, culminating in exhibitions and performances that showcase student talent.

ACADEMICS AT ST. STEPHEN'S

The St. Stephen's curriculum prepares students for the **American high school diploma** and the **International Baccalaureate Diploma Program (IBDP)**, which allows students to enter universities worldwide.

International Baccalaureate and Course Offerings

All courses at St. Stephen's are highly demanding, with the IB Diploma Program being the most rigorous. If a student's academic focus does not align with the full IB program, they may opt for individual IB certificates. While the school does not offer Advanced Placement (AP) courses, students can choose to take AP exams in addition to their regular coursework. St. Stephen's offers the following IB subjects per group:

Language A: English Language and Literature (SL/HL), English Literature (HL), French Language and Literature (SL/HL), Italian Language and Literature (SL/HL)

Language B: Chinese Mandarin (SL), Classical Greek (SL), Latin (HL), Spanish (SL/HL), Italian (SL/HL), Italian AB (SL), French (SL/HL), Russian (SL)

Individuals & Society: History (HL), Art History (SL), Economics (SL/HL), Environmental Systems and Society (SL), Classical Greek and Roman Studies (SL), Global Politics (SL), Business Management (SL/HL)

Sciences: Biology (SL/HL), Chemistry (SL/HL), Physics (SL/HL), Environmental Systems and Society (SL)

Maths: Mathematics Analysis and Approaches (SL/HL), Mathematics Applications and Interpretations (SL/HL)

Arts: Visual Arts (HL), Theatre (SL/HL)

Academic Calendar

St. Stephen's rigorous academic program is reflected in its **unweighted GPAs** and the **absence of class rankings**. The five year averages (GPA 3.22, IB 35) underscores the high standards set by faculty. St. Stephen's School follows a **semester system with four marking periods per year**, requiring students to take **at least five academic courses each semester**. The school grading system **requires 3 summative assessments per marking period and an exam per semester**. Thus ensuring that achievements reflect true academic rigor rather than leniency, maintaining a commitment to intellectual excellence and honest evaluation.

Graduation Requirements

English: 4 credits
Mathematics: 4 credits
Foreign Language: 3 credits
Experimental Science: 3 credits
History/Social Sciences: 3 credits
Arts: 1 credit
Electives: 2 credits
Core (Study Skills)/Health: 2 years
Service/Sports: Yearly Requirement
Extended Essay: Senior Requirement

Class of 2024

65 IBDP Candidates
 + 5 IB Certificates
 + 4 Non-IB Students

Average IBDP Score: 35 points
 Highest IBDP Score: 43 points

Average SAT Score: 1250

Average GPA: 3.32

Class of 2025

78 IBDP Candidates
 + 3 IB Certificates
 + 3 Non-IB Students

Average IBDP Score: 36 points
 Highest IBDP Score: 44 points

Average SAT Score: 1298

Average GPA: 3.29

Class of 2026

78 IBDP Candidates
 + 1 Non-IB Students

Key Application Details

At St. Stephen's, an overall **GPA is not calculated**, and students **are not ranked**.

Grade Predictions

Grade predictions at St. Stephen's are **based on summative assessments, in-class progress, and internal assessments** - guided by the **IB standards and descriptors**. Graduating students will receive predictions on multiple occasions during their last two years of school and help guide their decision-making in post-secondary application.

In Grade 11:

- March (Marking Period 3)
- June (Semester 2 End)

In Grade 12:

- Each Marking Period (October, January, March, June)
- For university applications, students will be using predictions from October.

Note: Senior students have the opportunity to choose two teacher reviewed aspirational predictions which may be included in their applications.

Note: St. Stephen's has seen a ten-year average of IBDP candidates achieving 2 bonus points.

IB GRADE DISTRIBUTION: CLASS OF 2025

SUBJECT GROUP		7	6	5	4	3	2	1	SSS AVG.	WORLD AVG.
Language A		8	51	37	6	1	0	0	5.59	4.9
Language B		33	21	6	1	0	0	0	6.24	5.2
Individuals & Society		19	49	29	18	7	0	0	5.53	4.8
Sciences		7	31	17	1	3	0	0	5.6	4.5
Maths		10	23	22	11	2	0	0	5.31	4.4
Arts		0	5	4	5	0	0	0	5	4.3
Overall	Higher Level (HL)	25	96	64	19	4	0	0		
	Standard Level (SL)	52	84	51	23	9	0	0
